2. Social Media Launch Posts (Copy & Paste)

A. LinkedIn Founder Launch Post (High Trust & Engagement)

"Why does running a business in 2026 still require 5 different software subscriptions?

Most SMBs are paying \$300 for HubSpot, \$90 for QuickBooks, \$350 for Katana inventory, and \$100 for cold outreach tools (\$960+/mo tool sprawl).

Today, we are officially launching **BERAXIS** (<https://www.beraxis.online>) — the Next-Gen Autonomous AI ERP & CRM that unites CRM, Accounting, Inventory, HRMS, and Outbound Calling in one workspace.

■ LAUNCH OFFERS:

- 1 Module Package: 100% FREE FOREVER (No Credit Card Required)
- Standard All-Module Suite: \$9.99 for 1 month with code [LAUNCH9]
- Early Bird Custom Pro Tier: \$15.99/month lifetime lock with code [EARLYBIRD15]

Plus, FREE white-glove data migration for the first 50 companies this week!"

B. Twitter / X Viral Launch Thread Hook

"We spent 12 months building an AI-native operating system to kill the \$900/month SaaS tool sprawl for SMBs.

Today, @Beraxis is officially LIVE. ■

- 3-Sec AI OCR Invoice Ingestion
- 94.2% AI Lead Win-Probability Scoring
- Predictive Multi-Warehouse Stock Reordering
- Native Cold Emailing & AI Voice Calling Agents

Try 1 module free forever, or get all 28 modules for \$9.99 with code LAUNCH9: <https://www.beraxis.online>

3. High-Converting Video Scripts & Storyboards
